MUSHAF QURAN APP BETA VERSION 1.0

DEVELOPED BY MUHAMMAD ABDUL AHAD KHAN

The Mushaf Quran App offers a comprehensive platform for reading and listening to the complete Quran with accurate Urdu translation. Additionally, the app features the 99 Names of Allah, allowing users to reflect on the attributes of the Almighty. With its sleek, modern interface, the app ensures an intuitive and engaging user experience. As part of continuous development, we are committed to incorporating more features to better meet user needs in future updates.

The image shows a mobile application interface for the Al Fatihah app. At the top, there is a blue header bar with a back arrow icon on the left and the text "Al Fatihah" in white on the right. Below the header is a large portrait of a smiling man with a beard, wearing a white agal and ghutra. Underneath the portrait, the title "الفاتحة" (Al-Fatiha) is displayed in a large, bold, black font, followed by the word "Recitation" in a smaller, regular black font. A horizontal progress bar is positioned below the title, with a green slider indicating the current progress at approximately 10% (labeled "0:10") on the left and 100% (labeled "0:41") on the right. At the bottom center is a large circular play button icon with a white triangle pointing to the right.
